

## Form for the issue of a blocking note due to a patent application

Family name, first name: \_\_\_\_\_

Title of thesis/habilitation: \_\_\_\_\_

Faculty: \_\_\_\_\_

Date of oral examination: \_\_\_\_\_

My thesis/habilitation is connected to a pending patent application. The thesis/habilitation must not be published in order to not jeopardize the patent recognition.

Thus, I request that the University Library retains all statutory copies and, as far as they exist, digital copies of my thesis/habilitation while not making them publicly available. I will contact the University Library in writing as soon as the blocking is no longer necessary.

I agree that the thesis/habilitation will be made publicly available after the expiry of **2 years, starting on the day of the oral examination.**

Theses/Habilitations from the **Faculty of Veterinary Medicine and Faculty of Chemistry and Pharmacy** will be made publicly available after the expiry of **2 years, starting on the day the blocking note is signed.**

An extension of the blocking period is possible after prior consultation 4 weeks at the earliest before expiry, provided that the relevant regulations allow a longer blocking period.
