

Form for the issue of a blocking note due to publishing in a journal

Family name, first name: _____

Title of thesis _____

Faculty: _____

Date of oral examination: _____

My thesis is connected to its publishing in a journal. In order to comply with copyright law, the thesis may not be published before a certain date.

Thus, I request that the University Library retains all statutory copies and, as far as they exist, digital copies of my thesis while not making them publicly available. I will contact the University Library in writing as soon as the blocking is no longer necessary.

I agree that the thesis will be made publicly available after the expiry of **1 year, starting on the day of the oral examination.**

Theses from the **Faculty of Veterinary Medicine and Faculty of Chemistry and Pharmacy** will be made publicly available after the expiry of **1 year, starting on the day the blocking note is signed.**

An extension of the blocking period is possible after prior consultation 4 weeks at the earliest before expiry, provided that the relevant regulations allow a longer blocking period.
